Answer

MINISTER OF STATE, CULTURE AND TOURISM (INDEPENDENT CHARGE)

(DR. MAHESH SHARMA)

(a)& (b) Conservation work of protected monuments of Archaeological Survey of India (ASI) in the country including that of Kumbhalgarh Fort is a continuous process wherein essential repair work is carried out regularly within the available resources and requirements of different sites. There was no separate allocation in the budget of the year 2015-16, as conservation is taken up with funds granted from a consolidated Head.
